Florida CNA Certification Checklist

☐ Complete an approved 120-hour CNA training program unless challenging the exam

☐ Complete all pages of the Florida Certified Nursing Assistant Application

☐ Complete a Level II background screening with image capture

☐ Achieve the minimum passing score on the nursing assistant competency exam (written/oral and clinical skills) administered through Prometric

Exam challengers must be 18 or older and have a high school diploma or equivalent but don't require nursing assistant training or experience.
