

## Hawaii CNA Certification Checklist

- Complete an approved CNA training program with 100 education hours
- Submit a copy of the training program completion document with application
- Complete the Hawaii Nurse Aide Examination Application form and send it to Prometric
- Pass both parts of the Hawaii Nurse Aide Competency Exam administered by Prometric

*Must pass the exam within 3 attempts and 2 years of the first testing or retraining required.*

*Passing applicants receive their CNA certificate via mail and their names appear on the Hawaii Nurse Aide Registry managed by Prometric on behalf of the Hawaii Department of Commerce and Consumer Affairs.*
