

Idaho CNA Certification Checklist

- Complete a state-approved CNA training program that includes a minimum of 120 training hours
- Pass the Manual Skills evaluation within 6 months of completing training program
- Bring proof of completed skills evaluation when taking the written Idaho Certified Nurse Aide exam
- Pass the written Idaho Certified Nurse Aide exam administered by Prometric on behalf of the Idaho Department of Health and Welfare

Must pass manual skills evaluation within 6 months of CNA training program completion and the written CNA exam within 12 months of program completion.
