# South Carolina CNA Certification Checklist

☐ Complete a 100-hour state-approved CNA training program that includes 40 hours of clinical training

☐ Optional: Work up to 4 months in a Medicaid-certified nursing facility once enrolled in a state-approved training program or have completed a training program but haven't passed the certification exam yet

☐ Complete an online Application for Registration by Competency Examination form on the Credential Management Services site

☐ Pass the NNAAP Examination for the South Carolina Nurse Aide Registry administered through Credentia on behalf of the South Carolina Department of Health and Human Services

*Must pass both exams on the same day and within 24 months of completing a training program to be certified and listed on the SC Nurse Aide Registry.*
